OBJECTIVE

Aspiring data analyst and mern stack devloper with a passion for organizing, cleaning, and analyzing data to derive actionable insights.

SKILLS AN INTRESTS

Technical Skills

- Programming: Python, JavaScript
- Data Analytics: Data cleaning, data visualization, statistical analysis, dashboard development
- Machine Learning: Supervised & unsupervised learning, model training, data preprocessing
- Web Development: MERN Stack (MongoDB, Express.js, React.js, Node.js)
- Databases: MySQL, MongoDB
- Visualization & BI Tools: Power BI, Tableau
- Tools & Technologies: Git, REST APIs, Jupyter Notebook

PROFESSIONAL EXPERIENCE

Data science analyst Intern | curious wings

2025 (December 2 - December 31)

- Analyzed large datasets to identify key trends and patterns, providing actionable insights to improve operational processes.
- Developed and maintained dashboards to visualize key performance metrics and support data-driven decision- making.

EDUCATION

Panimalar engineering college

August 2024 - May 2028

B.TECH Artificial Intelligence and Machine Learning.

CGPA :7.8 as of 3rd sem

G.K. Shetty vivekananda vidyalaya senior secondary school

2024

class XII - HSC

70%

G.K. Shetty vivekananda vidyalaya senior secondary school

2022

Class X

75%

CERTIFICATION

IBM Skills Build

Getting started with data

NPTEL SWAYAM

Programming in java

ORACLE university

certified foundation associte

PROJECTS

Google Play Store Data analytics

- Analyzed app data (ratings, reviews, downloads) to identify trends and user preferences
- Developed interactive dashboards using Plotly & Tkinter for real-time insights

Custom Gesture Recognition

- Created and preprocessed a custom dataset of labeled hand gesture images, applying normalization techniques to improve model accuracy and ensure efficient real-time performance with minimal latency.

Professional Portfolio

- Personal Portfolio Website – Designed and developed a responsive personal portfolio to showcase my projects, technical skills, certifications, and contact information. Built with a modern UI and optimized for accessibility and seamless user experience.
